Choosing the right needle.

As a guide always remember the general rule, the bigger the number the finer the sewing needle.

Size 5, 6, 7, 8, 9 and 10 are suitable for light to medium fabrics.

Our advice would be to go for a size 4 to 7 for children, depending on their age.

Embroidery/Crewel

Embroidery needles have a long eye which makes threading the needle so much easier when using multiple strands of thread. They are also suitable for general sewing due to the large eye, therefore ideal for children and others who have difficulty seeing the needle eye.
